	)	

**JOINT MOTION TO EXTEND DATES ESTABLISHED BY SCHEDULING ORDER**

Now come all parties, plaintiffs Robert Olafson and Patricia Olafson and defendants Kyle E. Byrne, BFI Waste Services of Massachusetts, LLC, and Margaret Hamill, and jointly move that the dates established by the Scheduling Order be extended for a period of an additional sixty (60) days. In support hereof, the parties say that while they have completed the depositions of the plaintiffs, they have not yet been able to take the depositions of the defendants. Further, the plaintiffs have continued to seek medical treatment, resulting in the need to obtain and analyze recently created medical records.

For the foregoing reasons, the parties respectfully request that the Court extend all of the dates on the scheduling order by a period of approximately sixty (60) days.
